

ZOOPARC OVERLOON

SCHOOL TRIP TO ZOOPARC OVERLOON

An adventure among the animals

Come with the class to ZooParc Overloon and set off like real explorers. There are lions, tigers, penguins and many more extraordinary animal species to discover, all in a beautiful, green environment.

Come and join our expedition

During your adventure, you will pass through six different expedition areas, including the Outback and Madidi. Ngorongoro is home to the world's tallest land animals, giraffes, where they reside along with the incredible De Brazza's monkeys. This species of monkey cannot be seen anywhere else in the Netherlands.

Exclusive guided tour

In addition to exploring the expedition areas and enjoying the playgrounds, you can embark on a special scavenger hunt through the park. Or reserve an exclusive guided tour, where an expedition member will tell the children all about the animals. This makes the school trip even more fun!

At Basecamp playground, you can go on an adventure with a view of the giraffes! And after meeting special types of animals in Madidi, you can go on another adventure in the new inclusive playground.

Extra option: guided tour

'How fast can a cheetah run?', 'How does a giraffe sleep?', 'How old can a flamingo get?'

The informative guide can answer any questions about the animals during the tour, and they will take you to the most special places in ZooParc.
